## President's Letter

Holiday Greetings to All;

It doesn't seem possible that the Holidays are here already! We as a Chapter have so much to celebrate and be thankful for. Hopefully we will all be together to share the Season at our annual Christmas Party. I hear Elaine and Anamae have all sorts of goodies planned for us!

Your new officers have been elected and will try our best to make this the best year ever for Seaside----but we cannot do it alone and will be asking all of you for your support and help. Later in this newsletter, I have listed committees and jobs that will need to be taken care of this coming year. If you see a special place where you would like to contribute, please let me or one of the board members know your preferences. I will also be contacting you before the January meeting to fill as many of the slots as possible. Thanks in advance for your help!

As your president, I also have an apology to make. It was brought to the boards attention the there was a great need for food assistance in our area. The Board decided to donate \$300 to the Salvation Army Food Drive and this was done. According to our rules, this should have been first brought to the attention of the members for their vote of approval. I am sorry this was overlooked by all of us and I will try harder to be more aware of our rules and keeping you the members informed and in on the decisions of the chapter.

On a lighter note, we are going to have our Annual Paint In again in 2010. It is scheduled for the 3rd week-end in April and the cost will be \$150 for the week-end! That will include your double room for Friday and Saturday night, all meals and teacher fees for the week-end. You will be responsible for your painting surfaces and supplies. Georgia Strein is serving as my co-chairman and will be taking reservations and money to reserve your space at the January meeting. We are working on having one teacher for all day Saturday and local chapter teachers for the rest of the time. If you are a teacher, please return your teaching forms to either of us ASAP. Looking forward to a fun week-end of painting, eating and relaxing!! Hope you can join us.

May all of you and your Families have a Blessed and Merry Christmas,

Mary Sue Baldwin

## Ways & Means

Thanks to all who contributed the many items to be raffled off at the meetings and helped sell the raffle tickets. A special thanks again to all who contributed to the annual auction and to all who helped us setting up the night before and all the volunteers on the day of the auction. It couldn't have been the success it was without your help. Because we did so well, we'll have a free workshop in January and a weekend retreat in April with the cost kept reasonable.

Please think about chairing Ways & Means next year. We had excellent notes and documents from Elaine from the 2008 auction to help us and we have 2009 notes, etc. ready for whoever chairs Ways & Means for 2010.
